

Equistar International College

## Equistar International College List of Courses and Teachers

No.	Course	Name of Teacher	Qualifications	Conferring University	Module Titles
1	Post Graduate Diploma in Data Science (E-Learning)	Dr Georgios Konstantinou Ouzounis (Part-Time)	PhD in Mathematics and Natural Sciences	University of Groningen	Data Toolkit
					Machine Learning - 1
					Machine Learning - 2
					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing
					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements
					Advanced DBs and Big Data Analytics

					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing
					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements
					Advanced DBs and Big Data Analytics
					Advanced Problem Solving and Programming
					Data Engineering - 1
					Data Engineering - 2
					Data Engineering - 3
					Capstone
5	Post Graduate Diploma in Data Science (E-Learning)	Mr Sivaram Annadurai (Part-Time)	Executive Master of Technology in Data Sciences in Computer Science and Engineering	Indian Institute of Technology, Hyderabad	Data Toolkit
					Machine Learning - 1
					Machine Learning - 2
					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing

					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements
					Advanced DBs and Big Data Analytics
					Advanced Problem Solving and Programming
					Data Engineering - 1
					Data Engineering - 2
					Data Engineering - 3
					Capstone
6	Post Graduate Diploma in Data Science (E-Learning)	Mr Shivam Garg (Part-Time)	M.Tech Industrial Tribology & Maintenance Engg	Indian Institute of Technology, Delhi	Data Toolkit
					Machine Learning - 1
					Machine Learning - 2
					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing
					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements

					Data Engineering - 3
					Capstone
8	Post Graduate Certificate in	Mr Aditya Bhattacharya (Part-Time)	Master of Science in Computer Science	The Georgia Institute of Technology	Programming 101

	Generative AI (E-Learning)				Create ShopAssistAI
					Create PixelCraft AI
					Create ShrewdNews AI
					Create Mr.HelpMate AI
					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services
					Future Developments in Generative AI
9	Post Graduate Certificate in Generative AI (E-Learning)	Mr Ketan Pravin Solanki (Part-Time)	Executive Programme on Business Analytics	Indian Institute of Management Calcutta	Programming 101
					Create ShopAssistAI
					Create PixelCraft AI
					Create ShrewdNews AI
					Create Mr.HelpMate AI
					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services
					Future Developments in Generative AI
10	Post Graduate Certificate in Generative AI (E-Learning)	Mr Sachin Kumar Manjhi (Part-Time)	Master of Business Administration	The University of Georgia	Programming 101
					Create ShopAssistAI
					Create PixelCraft AI
					Create ShrewdNews AI
					Create Mr.HelpMate AI

					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services
					Future Developments in Generative AI
11	Post Graduate Diploma in Management (E- Learning)	Mr Prerit Kalyansingh Souda (Part-Time)	Master of Science in Engineering Management	Southern Methodist University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management

					Accounting and Finance II
					Leadership and Decision Making
12	Post Graduate Diploma in Management (E- Learning)	Mr Wang Liangeng Lincoln (Part-Time)	Master of Business Administration	University of Strathclyde Glasgow	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
13	Post Graduate Diploma in	Ms Mana Ghazanfari (Part-Time)	Master of Business Administration	Pepperdine University	Marketing Management

	Management (E- Learning)				Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
14	Post Graduate Diploma in Management (E- Learning)	Mr Branden Patrick Cobb (Part-Time)	Master of Business Administration	University of Toledo	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences

					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
15	Post Graduate Diploma in Management (E- Learning)	Dr Nick Kumar Gera (Part-Time)	Juris Doctor	University of Pittsburgh	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics

					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
16	Post Graduate Diploma in Management (E- Learning)	Mr Gary Raymond Parker (Part-Time)	Master of Business Administration	Southern Cross University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance

					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
17	Post Graduate Diploma in Management (E- Learning)	Ms Payal Prashant Mogre (Part-Time)	Master of Commerce	Mumbai University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future

					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
18	Post Graduate Diploma in Management (E- Learning)	Mr Tan Guo Qiang (Part-Time)	Master of Arts	Nanyang Technological University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance

					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
19	Post Graduate Diploma in Data Science (E-Learning)	Mr Tan Wei Le Willard (Part-Time)	Master of Science in Computer Science	Wrexham University	Data Toolkit
					Machine Learning - 1
					Machine Learning - 2
					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing
					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements
					Advanced DBs and Big Data Analytics

					Advanced Problem Solving and Programming
					Data Engineering - 1
					Data Engineering - 2
					Data Engineering - 3
					Capstone
20	Post Graduate Certificate in	Mr Tan Wei Le Willard (Part-Time)	Master of Science in Computer Science	Wrexham University	Programming 101
					Create ShopAssistAI

	Generative AI (E-Learning)				Create PixelCraft AI
					Create ShrewdNews AI
					Create Mr.HelpMate AI
					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services
					Future Developments in Generative AI
21	Post Graduate Diploma in Management (E- Learning)	Mr Tan Wei Le Willard (Part-Time)	Master of Science in Computer Science	Wrexham University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation

					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
22	Post Graduate Diploma in Management (E- Learning)	Ms Rosilawaty Binte Ngalimen (Part-Time)	Master of Business Administration	Queen Margaret University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research

					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
23	Post Graduate Certificate in Generative AI (E-Learning)	Mr Mahesh Kumar Paik (Part-Time)	Master of Business Administration	SP Jain School of Global Management	Programming 101
					Create ShopAssistAI
					Create PixelCraft AI
					Create ShrewdNews AI
					Create Mr.HelpMate AI
					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services
					Future Developments in Generative AI
24	Post Graduate Certificate in Generative AI (E-Learning)	Mr Rahul Bambi (Part-Time)	Master of Business Administration	University of Delhi	Programming 101
					Create ShopAssistAI
					Create PixelCraft AI
					Create ShrewdNews AI
					Create Mr.HelpMate AI
					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services

					Future Developments in Generative AI
25	Post Graduate Diploma in Management (E- Learning)	Ms Zwen Chua Chin Chin (Cai Jing Jing) (Part-Time)	Master of Science in Information Systems	Hawaii Pacific University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
HR Management					
Accounting and Finance II					
Leadership and Decision Making					
26	Post Graduate Diploma in Management (E- Learning)	Ms Arundhathi Baburaj (Part-Time)	Master of Business Administration	VIT University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution

					Business Strategy
--	--	--	--	--	-------------------

					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
27	Post Graduate Diploma in Management (E- Learning)	Ms Pallavi Madhukar (Part-Time)	PhD in Russian and Central Asian Studies	Jawaharlal Nehru University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics

					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management

					Accounting and Finance II
					Leadership and Decision Making
30	Post Graduate Certificate in Generative AI (E-Learning)	Mr Harish Kumar (Part-Time)	Master of Science in Artificial Intelligence and Machine Learning	Liverpool John Moores University	Programming 101
					Create ShopAssistAI
					Create PixelCraft AI
					Create ShrewdNews AI
					Create Mr.HelpMate AI
					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services
					Future Developments in Generative AI
31	Preparatory Course for Singapore-Cambridge Secondary Education Certificate (SEC)	Wei Zhi (Full-Time)	Bachelor of Engineering	National Technological University	G3 Science (Physics, Chemistry)
					G3 Chemistry
					G3 Physics
					G3 Chinese

32	Preparatory Course for Singapore- Cambridge Secondary Education Certificate (SEC)	Fang YaQi (Full- Time)	Master of Education	University of Sydney	G3 Economics
					G3 Principles of Accounts
					G3 Literature in Chinese
33	Preparatory Course for Singapore- Cambridge Secondary Education Certificate (SEC)	Fu HanQi (Full- Time)	Master of Science	National University of Singapore	G3 Physics
					G3 Science (Physics, Chemistry)
34	Preparatory Course for Singapore- Cambridge	Xu JunJie (Full-	Master of Science	National Technological University	G3 Mathematics

	Secondary Education Certificate (SEC)	Time)			G3 Additional Mathematics
35	Preparatory Course for Singapore-Cambridge Secondary Education Certificate (SEC)	Eddy Leong Kim Hwee (Part-Time)	Bachelor of Social Sciences	National University of Singapore	G3 English

36	Preparatory Course for Singapore- Cambridge Secondary Education Certificate (SEC)	Jolynn Tan Yi Ru (Part-Time)	Bachelor of Arts	University of Huddersfield	G3 English
37	Preparatory Course for Singapore- Cambridge Secondary Education Certificate (SEC)	Sun Jin (Part-Time)	Master of Science	National Technological University	G3 Science (Physics, Chemistry)
					G3 Chemistry
					G3 Physics
					Science (Physics, Chemistry)
					Science (Physics, Biology)

38	Preparatory Course for Singapore- Cambridge General Certificate of Education (Ordinary Level) (Intensive)	Wei Zhi (Full-Time)	Bachelor of Engineering	National Technological University	Science (Chemistry, Biology)
					Chemistry
					Physics
					Biology
39	Preparatory Course for Singapore- Cambridge General Certificate of Education (Ordinary Level) (Intensive)	Fang YaQi (Full- Time)	Master of Education	University of Sydney	Economics
					Principles of Accounts
					Chinese
					Literature in Chinese
40	Preparatory Course for Singapore- Cambridge General Certificate of Education (Ordinary Level)	Fu HanQi (Full- Time)	Master of Science	National University of Singapore	Science (Physics, Chemistry)
					Science (Physics, Biology)

	(Intensive)				Physics
41	Preparatory Course for Singapore- Cambridge General Certificate of Education (Ordinary Level) (Intensive)	Xu JunJie (Full- Time)	Master of Science	National Technological University	Mathematics
					Additional Mathematics
42	Preparatory Course for Singapore- Cambridge General Certificate of Education (Ordinary Level) (Intensive)	Eddy Leong Kim Hwee (Part-Time)	Bachelor of Social Sciences	National University of Singapore	English

43	Preparatory Course for Singapore- Cambridge General Certificate of Education (Ordinary Level) (Intensive)	Jolynn Tan Yi Ru (Part-Time)	Bachelor of Arts	University of Huddersfield	English
44	Preparatory Course for Singapore- Cambridge General Certificate of Education (Ordinary Level) (Intensive)	Sun Jin (Part-Time)	Master of Science	National Technological University	Science (Physics, Chemistry)
					Science (Physics, Biology)
					Science (Chemistry, Biology)
					Chemistry
					Physics
	Preparatory Course for Singapore- Cambridge General Certificate of Education	Wei Zhi (Full-Time)	Bachelor of Engineering	National Technological University	Chemistry (H1)
					Chemistry (H2)
					Biology (H1)
					Biology (H2)

45	(Advanced Level)				Physics (H1)
					Physics (H2)
46	Preparatory Course for Singapore-Cambridge General Certificate of Education (Advanced Level)	Fang YaQi (Full-Time)	Master of Education	University of Sydney	Chinese Language (H1)
					Economics (H1)
					Chinese Language and Literature (H2)
					Economics (H2)
47	Preparatory Course for Singapore-Cambridge General Certificate of Education (Advanced Level)	Fu HanQi (Full-Time)	Master of Science	National University of Singapore	Physics (H1)
					Physics (H2)
48	Preparatory Course for Singapore-Cambridge General Certificate of Education (Advanced Level)	Xu JunJie (Full-Time)	Master of Science	National Technological University	Mathematics (H2)
49	Preparatory Course for Singapore-Cambridge General Certificate of Education (Advanced Level)	Eddy Leong Kim Hwee (Part-Time)	Bachelor of Social Sciences	National University of Singapore	General Paper (H1)

50	Preparatory Course for Singapore-Cambridge General Certificate of Education (Advanced Level)	Sun Jin (Part-Time)	Master of Science	National Technological University	Chemistry (H1)
					Chemistry (H2)
51	Preparatory Course for Pearson Edexcel International Advanced Level	Wei Zhi (Full-Time)	Bachelor of Engineering	National Technological University	Chemistry
					Physics
52	Preparatory Course for Pearson Edexcel International Advanced Level	Fang YaQi (Full-Time)	Master of Education	University of Sydney	Business
					Economics
					Chinese
53	Preparatory Course for Pearson Edexcel International Advanced Level	Fu HanQi (Full-Time)	Master of Science	National University of Singapore	Physics
54	Preparatory Course for Pearson Edexcel International Advanced Level	Xu JunJie (Full-Time)	Master of Science	National Technological University	Mathematics
					Further Mathematics

55	Preparatory Course for Pearson Edexcel International Advanced Level	Eddy Leong Kim Hwee (Part-Time)	Bachelor of Social Sciences	National University of Singapore	English Language
56	Preparatory Course for Pearson Edexcel International Advanced Level	Sun Jin (Part-Time)	Master of Science	National Technological University	Chemistry
