

Equistar International College

Equistar International College List of Courses and Teachers (Part-Time)

No.	Course	Name of Teacher	Qualifications	Conferring University	Module Titles
1	Post Graduate Diploma in Data Science (E-Learning)	Dr Georgios Konstantinou Ouzounis	PhD in Mathematics and Natural Sciences	University of Groningen	Data Toolkit
					Machine Learning - 1
					Machine Learning - 2
					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing
					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements
					Advanced DBs and Big Data Analytics

					Advanced Problem Solving and Programming
					Data Engineering - 1
					Data Engineering - 2
					Data Engineering - 3
					Capstone
2	Post Graduate Diploma in Data Science (E-Learning)	Mr Arpendu Kumar Ganguly	Master of Arts	University of Calcutta	Data Toolkit
					Machine Learning - 1
					Machine Learning - 2
					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing
					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements
					Advanced DBs and Big Data Analytics
					Advanced Problem Solving and Programming
					Data Engineering - 1
Data Engineering - 2					
Data Engineering - 3					

					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing
					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements
					Advanced DBs and Big Data Analytics
					Advanced Problem Solving and Programming
					Data Engineering - 1
					Data Engineering - 2
					Data Engineering - 3
					Capstone
5	Post Graduate Diploma in Data Science (E-Learning)	Mr Sivaram Annadurai	Executive Master of Technology in Data Sciences in Computer Science and Engineering	Indian Institute of Technology, Hyderabad	Data Toolkit
					Machine Learning - 1
					Machine Learning - 2
					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing

					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements
					Advanced DBs and Big Data Analytics
					Advanced Problem Solving and Programming
					Data Engineering - 1
					Data Engineering - 2
					Data Engineering - 3
					Capstone
6	Post Graduate Diploma in Data Science (E-Learning)	Mr Shivam Garg	M.Tech Industrial Tribology & Maintenance Engg	Indian Institute of Technology, Delhi	Data Toolkit
					Machine Learning - 1
					Machine Learning - 2
					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing
					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements

					Advanced DBs and Big Data Analytics
					Advanced Problem Solving and Programming
					Data Engineering - 1
					Data Engineering - 2
					Data Engineering - 3
					Capstone
7	Post Graduate Diploma in Data Science (E-Learning)	Dr Pooja Jain	Doctor of Philosophy in the Field of Computer Science and Engineering	Jaypee University of Information Technology, Waknaghat	Data Toolkit
					Machine Learning - 1
					Machine Learning - 2
					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing
					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements
					Advanced DBs and Big Data Analytics
					Advanced Problem Solving and Programming
					Data Engineering - 1
					Data Engineering - 2

					Data Engineering - 3
					Capstone
8	Post Graduate Diploma in Computer Science (E-Learning)	Dr Abhinandan Sridhara Rao Prasad	PhD in Division of Mathematics and Natural Science	(Georg-August-Universitat Gottingen)	Object-Oriented Programming in Java
					OOD + Software Engineering
					Data Structures and Algorithms
					User interfaces & Frontend Development
					Backend Development
					Software Architecture and Deployment
					Capstone
9	Post Graduate Diploma in Machine Learning and Artificial Intelligence (E-Learning)	Mr Sajan Kedia	Master of Tech in Computer Science & Engineering	Institute of Technology, Banaras Hindu University	Statistics and Exploratory Data Analysis
					Machine Learning I
					Machine Learning II
					Deep Learning
					Natural Language Processing
					Capstone Project
					Elective 1: MLOps
10	Graduate Certificate Program in Data Science (E-Learning)	Dr Abhinandan Sridhara Rao Prasad	PhD in Division of Mathematics and Natural Science	(Georg-August-Universitat Gottingen)	Elective 2: Generative AI
					Python for Data Science
					SQL & Visualisation for Data Science
11	Post Graduate Certificate in	Mr Aditya Bhattacharya	Master of Science in Computer Science	The Georgia Institute of Technology	Introduction to Machine Learning and Problem Solving
					Programming 101

					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services
					Future Developments in Generative AI
14	Post Graduate Diploma in Management (E- Learning)	Mr Prerit Kalyansingh Souda	Master of Science in Engineering Management	Southern Methodist University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management

					Accounting and Finance II
					Leadership and Decision Making
15	Post Graduate Diploma in Management (E- Learning)	Mr Wang Liangeng Lincoln	Master of Business Administration	University of Strathclyde Glasgow	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
16	Post Graduate Diploma in	Ms Mana Ghazanfari	Master of Business Administration	Pepperdine University	Marketing Management

	Management (E- Learning)				Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
17	Post Graduate Diploma in Management (E- Learning)	Mr Branden Patrick Cobb	Master of Business Administration	University of Toledo	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences

					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
18	Post Graduate Diploma in Management (E- Learning)	Dr Nick Kumar Gera	Juris Doctor	University of Pittsburgh	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics

					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
19	Post Graduate Diploma in Management (E- Learning)	Mr Gary Raymond Parker	Master of Business Administration	Southern Cross University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance

					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
20	Post Graduate Diploma in Management (E- Learning)	Ms Payal Prashant Mogre	Master of Commerce	Mumbai University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future

					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
21	Executive Certificate in Generative AI for Leaders (E-Learning)	Mr Aditya Bhattacharya	Master of Science in Computer Science	The Georgia Institute of Technology	Understanding AI and Gen AI Landscape
					Applications of Gen AI in business
					Crafting Gen AI Strategy
					Gen AI Project Planning
					Responsible AI
					Capstone Project : Domain-specific AI Implementation
22	Post Graduate Diploma in Management (E- Learning)	Mr Tan Guo Qiang	Master of Arts	Nanyang Technological University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance

					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
23	Post Graduate Diploma in Data Science (E-Learning)	Mr Tan Wei Le Willard	Master of Science in Computer Science	Wrexham University	Data Toolkit
					Machine Learning - 1
					Machine Learning - 2
					Advanced Machine Learning and Deep Learning
					Advanced Deep Learning and Computer Vision
					Advanced Machine Learning and Natural Language Processing
					Advanced Natural Language Processing
					Advanced Machine Learning
					Data Visualisation and Storytelling
					Solving Business Requirements
					Advanced DBs and Big Data Analytics

					Advanced Problem Solving and Programming
					Data Engineering - 1
					Data Engineering - 2
					Data Engineering - 3
					Capstone
24	Post Graduate Diploma in Computer Science (E-Learning)	Mr Tan Wei Le Willard	Master of Science in Computer Science	Wrexham University	Object-Oriented Programming in Java
					OOD + Software Engineering
					Data Structures and Algorithms
					User interfaces & Frontend Development
					Backend Development
					Software Architecture and Deployment
					Capstone
25	Post Graduate Diploma in Machine Learning and Artificial Intelligence (E-Learning)	Mr Tan Wei Le Willard	Master of Science in Computer Science	Wrexham University	Statistics and Exploratory Data Analysis
					Machine Learning I
					Machine Learning II
					Deep Learning
					Natural Language Processing
					Capstone Project
					Elective 1: MLOps
26	Post Graduate Certificate in	Mr Tan Wei Le Willard	Master of Science in Computer Science	Wrexham University	Elective 2: Generative AI
					Programming 101
					Create ShopAssistAI

	Generative AI (E-Learning)				Create PixelCraft AI
					Create ShrewdNews AI
					Create Mr.HelpMate AI
					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services
					Future Developments in Generative AI
27	Graduate Certificate Program in Data Science (E-Learning)	Mr Tan Wei Le Willard	Master of Science in Computer Science	Wrexham University	Python for Data Science
					SQL & Visualisation for Data Science
					Introduction to Machine Learning and Problem Solving
28	Post Graduate Diploma in Management (E- Learning)	Mr Tan Wei Le Willard	Master of Science in Computer Science	Wrexham University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation

					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
29	Post Graduate Diploma in Management (E- Learning)	Ms Rosilawaty Binte Ngalimen	Master of Business Administration	Queen Margaret University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research

					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
30	Post Graduate Certificate in Generative AI (E-Learning)	Mr Mahesh Kumar Paik	Master of Business Administration	SP Jain School of Global Management	Programming 101
					Create ShopAssistAI
					Create PixelCraft AI
					Create ShrewdNews AI
					Create Mr.HelpMate AI
					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services
					Future Developments in Generative AI
31	Post Graduate Certificate in Generative AI (E-Learning)	Mr Rahul Bambi	Master of Business Administration	University of Delhi	Programming 101
					Create ShopAssistAI
					Create PixelCraft AI
					Create ShrewdNews AI
					Create Mr.HelpMate AI
					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services

					Future Developments in Generative AI
32	Post Graduate Diploma in Management (E- Learning)	Ms Zwen Chua Chin Chin	Master of Science in Information Systems	Hawaii Pacific University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
33	Master of Science in	Dr Janet Elaine McCord	Doctor of Philosophy	Boston University	Adults/Older Adults & Thanatology
					Children & Teens in Thanatology

	Thanatology (E-Learning)				Complicated Grief
					Death and the Creative Imagination
					Death Education and Grief Support
					Ethics in Death and Dying
					Family Systems and Thanatology
					Hospice & Palliative Care
					Introduction to Thanatology
					Practices/Purposes of Death Rituals
					Research Methods & Thanatology
					Spiritual Dimensions of Care
					Suicide, Children, & Teens
					Suicidology
					Thanatological Theory
					The Self & Openness to Culture
					Traumatology
34	Post Graduate Diploma in Management (E- Learning)	Ms Arundhathi Baburaj	Master of Business Administration	VIT University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy

					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
35	Post Graduate Diploma in Management (E- Learning)	Ms Pallavi Madhukar	PhD in Russian and Central Asian Studies	Jawaharlal Nehru University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation

					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
36	Post Graduate Diploma in Management (E- Learning)	Mr Sami Shaiikh	Masters in Management Studies	Mumbai University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research

					Operations and Supply Chain Management
					Business Analytics
					HR Management
					Accounting and Finance II
					Leadership and Decision Making
37	Post Graduate Diploma in Management (E- Learning)	Dr Justin Daniel Pierce	Doctor of Philosophy	Deakin University	Marketing Management
					Accounting and Finance
					Business Communication
					Decision Sciences
					OB, HR and Legal
					Operations and Supply Chain
					Business Economics
					Sales and Distribution
					Business Strategy
					Leadership, Engagement and People Performance
					Enterprise and Risk Management
					Digital Business Innovation
					Leading Change for Sustainable Future
					Market Research
					Operations and Supply Chain Management
					Business Analytics
					HR Management

					Accounting and Finance II
					Leadership and Decision Making
38	Post Graduate Certificate in Generative AI (E-Learning)	Mr Harish Kumar	Master of Science in Artificial Intelligence and Machine Learning	Liverpool John Moores University	Programming 101
					Create ShopAssistAI
					Create PixelCraft AI
					Create ShrewdNews AI
					Create Mr.HelpMate AI
					SemanticSpotter - Mr.HelpMate AI on Steroids
					Scale Mr.HelpMate AI using Azure OpenAI services
					Future Developments in Generative AI
