

Website format -> follow the exact same format as the O level intensive amended page, additional areas in the SEC page that is not found in the O level intensive page, please delete

1. For course titles, change all to ‘Preparatory Course for Pearson Edexcel International Advanced Level’

2. Remove ‘CIE & Edexcel Dual Pathway’

~~CIE & Edexcel Dual Pathway - 24 Months~~

3. **Program Overview, change to:** The Preparatory Course for Pearson Edexcel International Advanced Level program prepares students for the Pearson Edexcel International A-Levels (IAL) examination. Pearson Edexcel International A-Levels (IAL) are globally recognized qualifications which open doors to top universities worldwide. Regular assessments aligned with the Pearson Edexcel International A-Levels (IAL) examination syllabuses are conducted throughout the course to ensure student performance is monitored.

4. **Program Highlights, change to the following points:**

1. Rigour

Comprehensive and structured curriculum aligned with the Pearson Edexcel International A-Levels (IAL) syllabuses to ensure students achieve academic mastery in all subjects.

2. Assessment

Regular assessments are conducted to track progress, identify learning gaps, and provide targeted academic support.

3. Student Support

Students receive personalised guidance and consultation from experienced teachers to strengthen subject understanding and boost confidence ahead of examinations.

4. Holistic Development

Through experiential learning and community activities outside of the classroom, students develop leadership, teamwork, and perseverance skills.

5. **Add: Course Commencement Dates**

- There are four intakes for this course. This course commences in January, March, July and September of each year.
- The College reserves the right to cancel a class if the minimum number of students enrolled is less than 15. Students may then choose to enroll for a later intake, if any, or withdraw from the course. For refund, please refer to our Refund Policy.

6. Subject Structure -> change to Course Modules

Compulsory subject

- English
- Mathematics

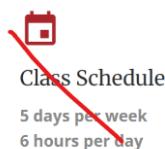

Optional subject

- Business
- Chinese
- Chemistry
- Economics
- Further Mathematics
- Physics

Students will select 2 compulsory subjects and at least 2 to 4 optional subjects to study.

7. Duration & Class Schedule -> change to Program Duration

- Program Duration - 24 months Full-Time (5 days per week, 6 hours per day)
- Remove Class Schedule

8. Remove Quick Facts and Examination Boards

Quick Facts

 Technology	
Computer Science: Programming and algorithms, system development lifecycle (SDLC), information systems ethics, computational thinking, software design principles	

15. Remove:

Program Structure

Two-Year Progression

Year 1: AS Level (50% of full A Level)
Year 2: A2 Level (completes full A Level)

Examination Sessions

May/June Session: Annual examinations
October/November Session: Annual examinations

Students can sit for exams twice annually, providing flexibility for retakes or subject completion.

Why Choose IAL?

Flexibility: Mix subjects from CIE and Edexcel boards
Global Recognition: Accepted by universities worldwide including Singapore
Multiple Exam Sessions: Two sittings per year (May/June & Oct/Nov) for better scheduling
Modular System: AS + A2 progression allows staged achievement
Subject Breadth: Wide range of 10 subject choices
Face-to-Face Learning: Interactive classroom instruction for optimal engagement

Course Delivery & Assessment

Teaching Mode

Delivery: Face-to-face instruction
Total Hours: 2400 hours (2300 class room + 100 internal assessment)
Weekly Schedule: 5 days × 6 hours per day

Assessment Structure

Internal: Monthly, semester, and annual assessments
External: According to SEAB reference timetable
Certification: Individual subject certificates from CIE/Edexcel

Program Information

Course Development: Internally developed and designed by ESIC
Certification Path: Non-modular, completed as full program
Program Type: Standalone preparatory course (not a pathway program)
External Accreditation: No additional external accreditation required
Internship: No internship component

16. Add a sentence at the bottom of page-> For course fees and payment mode, refer to the Fees & Payments page (link to the page)
