

Website format -> follow the exact same format as the O level intensive amended page, additional areas in the SEC page that is not found in the O level intensive page, please delete

1. For course titles, change all to 'Preparatory Course for Singapore-Cambridge Secondary Education Certificate (SEC)'

②  
Singapore-Cambridge Secondary Education  
Certificate (SEC)

2. Remove 'New National Certificate Program'

~~New National Certificate Program~~

3. **Program Overview, change to:** The Preparatory Course for Singapore-Cambridge Secondary Education Certificate (SEC) program provides students with comprehensive preparation for the sit for the new Singapore-Cambridge Secondary Education Certificate (SEC) examinations from 2027 onwards, through intensive instruction. Regular assessments aligned with SEC examination syllabuses are conducted throughout the course to ensure student performance is monitored.

4. **Program Highlights, change to the following points:**

#### 1. Rigour

Comprehensive and structured curriculum aligned with the Singapore-Cambridge Secondary Education Certificate (SEC) syllabuses to ensure students achieve academic mastery in all subjects.

#### 2. Assessment

Regular assessments are conducted to track progress, identify learning gaps, and provide targeted academic support.

#### 3. Student Support

Students receive personalised guidance and consultation from experienced teachers to strengthen subject understanding and boost confidence ahead of examinations.

#### 4. Holistic Development

Through experiential learning and community activities outside of the classroom, students develop leadership, teamwork, and perseverance skills.

5. **Add: Course Commencement Dates**

- There are four intakes for this course. This course commences in January, March, July and September of each year.
- The College reserves the right to cancel a class if the minimum number of students enrolled is less than 15. Students may then choose to enroll for a later intake, if any, or withdraw from the course. For refund, please refer to our Refund Policy.

## 6. Subject Structure -> change to Course Modules

### **Compulsory subject**

- G3 English
- G3 Mathematics
- G3 Chinese

### **Selective subject**

- G3 Additional Mathematics
- G3 Science (Physics, Chemistry)
- G3 Chemistry
